: DECISION ACCORDING STATUS

: UNDER 37 CFR 1.47(a)

This is in response to the reconsideration petition under 37 CFR 1.47(a), filed February 28, 2005 (certificate of mailing date February 23, 2005).

The petition is granted.

Petitioner has shown that the non-signing inventor, Brian R. Girardet, has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the declaration/statement of facts of Attorney Ray K. Shahani filed with the first petition establishes that the inventor was mailed the application papers, including the specification, claims and drawings; however, Mr. Girardet's attorney, Lawrence L. Severson, informed Attorney Shahani that Mr. Girardet would not sign the declaration and other documents during an August 18, 2003 conversation. Petitioner has submitted a declaration in compliance with 37 CFR 1.63 and 1.64.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Technology Center GAU 2632 for examination in due course.

Telephone inquiries should be directed to the undersigned at (571) 272-3230.
